LEVELS OF ACHIEVEMENT FOR TRAINING PROVIDERS

In order for a training program to be considered for Workforce Alliance renewal, the program must achieve completion and training-related placement performance at various levels of achievement in two categories.

The first level of achievement measures the total number of participants who complete training. The second level of achievement measures the total number of participants who complete the course and obtain a training related job placement. To be considered for contract renewal a course must meet or exceed the standards for both completion and training related job placement and remain on the Targeted Occupations List.

A. 1ST LEVEL OF ACHIEVEMENT: TRAINING COMPLETION

Of 51 courses which have had referrals during calendar year 2012 (January 1ST, 2012 to December 31th, 2012), 6 met the first performance measure for contract renewal, (i.e., the total number of participants who completed training), see list below:

Trainer	Course
Cambridge Institute of Allied Health Technology	Diagnostic Medical Sonography
Florida Atlantic University	Cert. Financial Planner
	Paralegal
Metropolitan Trucking and Technical Institute	CDL 50 Hour Comprehensive Tractor Trailer
New Horizons Computer Learning Center of South Florida	MCITP SA
Palm Beach State College	Basic Law Enforcement

The remaining 45 courses had no completers with which to evaluate for the first level of achievement during this period.

B. 2ND LEVEL OF ACHIEVEMENT: PARTICIPANT OBTAINS TRAINING RELATED PLACEMENT

The requirement for Training Related Placement is made up of those students who graduated during calendar year 2012 and obtained training related placement. 4 of the 6 courses (above) that met the first performance measure or level of achievement also met the second performance measure for contract renewal (“total number of participants who completed a course and obtained a training related job placement”), see list below:

Trainer	Course
Florida Atlantic University	Cert. Financial Planner
	Paralegal
Metropolitan Trucking and Technical Institute	CDL 50 Hour Comprehensive Tractor Trailer
Palm Beach State College	Basic Law Enforcement

Two (2) courses with 2012 graduates in the review period have yet to meet the second performance measure for contract renewal “total number of participants who complete a course and obtain a training related job placement” as follows:

Trainer	Course	Complete	Required Training Related Placement Rate	Actual Training Related Placement Rate
Cambridge Institute of Allied Health Technology	Diagnostic Medical Sonography	2	1/50%	0/0%
New Horizons Computer Learning Center of South Florida	MCITP SA	5	3/60%	0/0%
